

Behavioural Safety for Lifeguards

Terry Allen - Principal Consultant, QLM

What does safety mean to you?

What does safety mean to you?

What does safety mean to you?

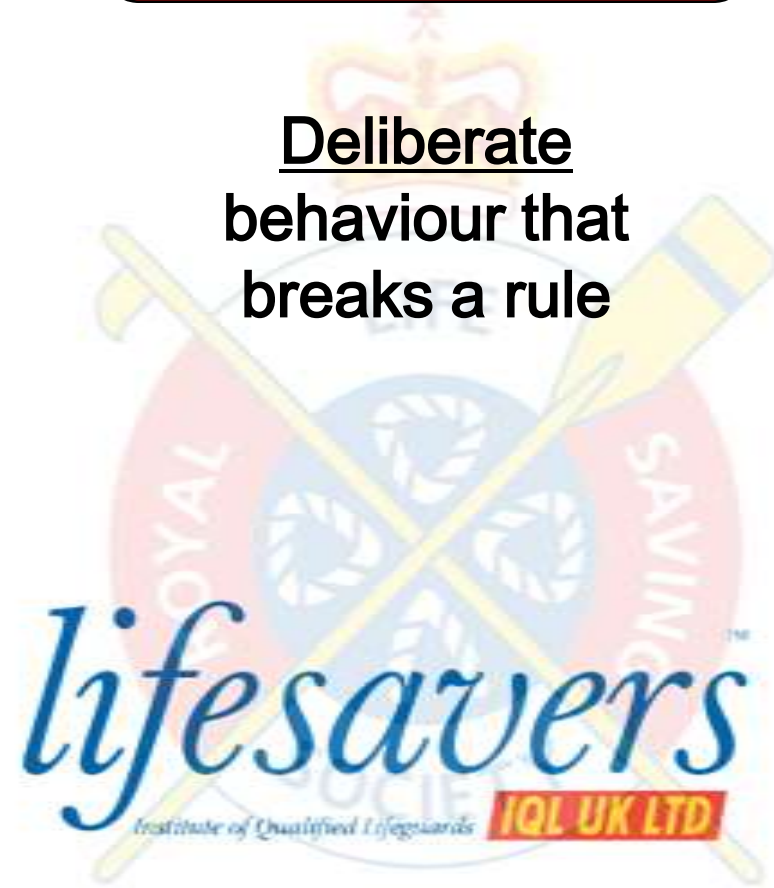

Behavioural Failures

ERRORS

Unintentional
behaviour such as
mistakes.

VIOLATIONS

Deliberate
behaviour that
breaks a rule

ANTECEDENT

BEHAVIOUR

Are you clear about the behaviours required?

Expecting a different result from the same input is a classic sign of insanity.

Sell the enjoyment!
